

Raffle Manager Report
Prepared by: Kacy Herrman

2/25/21

Last year's raffle was a great success, despite the many challenges that COVID presented, we still managed to make about \$9,000! Of course, it would have been more successful and lucrative if we had more member participation.

We have similar prizes this year, 8 guns, a cash prize and a fur bear. If you or anyone you know would like to sponsor a gun on the ticket and would like the name of the sponsor printed on the tickets, let me know ASAP so I can get the information to the printer. Tickets should be going out within the next month. If you would like more tickets than just two books, please let me know so I can get them to you. I did hear, through the grapevine, that last year some members did not receive any tickets; I sent tickets to every member on the list and I apologize if the tickets did not make it there, it's out of my hands when dropped off at the Post Office. Please, if you don't receive tickets, let me know and we can figure it out.

Again, please let me know if you have any suggestions, would like to help or have any questions or concerns.

Thanks,
Kacy Herrman
