

Northwest Director Report for Spring Meeting 2023

I cannot believe it is already time for the fur auction and spring meeting!!

The older I get the faster the seasons go by. I did a horseback elk hunt this fall and was able to run a marten trapline in November.

We also did our annual 2-month winter camp trap line. I am very fortunate that I have a wife that supports my hobbies and passions, thanks Kandy.

We will be attending the Wolf discussion meeting in Rifle on the 7th of February and are planning to set up a booth @ Heritage Days in Palisade this event happens every April.

We have had a real winter this year with a lot of snow and cold temps, sure hope this will help fill up the reservoirs this spring. Yes, I am ready to go fishing!

Looking forward to seeing everyone at the convention in Florence this year.

Sincerely, Kevin Herrman
